RE: COVID-19

To our valued dealers, customers, and suppliers; During this tense time the entire Trilogy Machinery team remains committed to helping our customers with solutions for the Metal Fabricating Industry.

We continue to implement more advanced cleaning, screening, and protection for our distribution channels including our colleagues and suppliers.

Our international suppliers remain committed to providing on-time delivery of machinery on-order as well as uninterrupted shipments of vital parts and supplies to sustain the machinery currently in operation.

We have over 65 machines in-stock for quick shipment in addition to sales specials we are happy to offer to you.

Please let us know how we can assist you, your customers, and your end-users as we all work through this together.

In Health,

Ben Flamholz

Vice-President

Trilogy Machinery, Inc.
